I just finished a set of costumes that used the heavier weight clear plastic tablecloth stuff. There are TONS of scraps. Anyone have a good idea for them?? I have seen the little Window gift bags.....is there anything else you can think of?? Thanks for all brainstorm.

with a note in it. (Left the top open for a removable note.) I have patterns for cloth hangings with different size clear plastic pockets for all sorts of things. Okay, I've run out of idea. I'm sure the rest will have plenty. I'm looking forward to this thread. You can embroider sun catchers using simple designs, i.e not too dense. I have a handbag which has a plastic outer bag and an inner cloth bag. Swimming bags for those wet cossies.
